ORDER:

In the reference 3rd cited, the Engineer-in-Chief (Irrigation), Vijayawada has submitted that the road stretch from Nathavaram Village to Thandava Village (from Km 7/0 to Km 14/4) for a length of 7.40 Km, which was taken over by Water Resources Department during to make the road to suit the demand and requirements of Thandava Reservoir Project and is currently under the administrative control of the Water Resources Department.

2. The Engineer-in-Chief has requested that, since the road is of strategic importance and connects multiple habitations and State Highways across Nathavaram and Golugonda Mandals, it may be transferred to the Transport, Roads & Buildings Department for proper upkeep and maintenance. The road is also identified as critical to intra-district connectivity and is being regularly used by the public. Repeated correspondence has been made between the field officers of the Irrigation Department and the R&B Department, but formal takeover is still pending.

3. Government, after careful consideration of the matter and in light of prior approvals issued vide Memos 1st and 2nd read above, hereby accord permission for transfer of the road stretch from Km 7/0 to Km 14/4 (7.40 Km) between Nathavaram and Thandava from the Water Resources Department to the Roads & Buildings Department for proper maintenance.

4. The Engineer-in-Chief (Irrigation),Water Resources Department, Vijayawada and Chief Engineer, North Coast, Visakhapatnam, shall take necessary action to hand over the road to the R&B Department, under proper documentation and as per standard procedure.

(P.T.O)

5. The Transport, Roads & Buildings Department is requested to issue suitable instructions to the concerned officers to take over the said road stretch at the earliest and ensure its regular maintenance.
